## USE OF COOKIES

### TYPES OF COOKIES

The following types of cookies may be used when you visit the Website:

#### Advertising Cookies

Advertising cookies are placed on your computer by advertisers and ad servers to display advertisements that are most likely to be of interest to you. These cookies allow advertisers and ad servers to gather information about your visits to the Website and other Websites, alternate the ads sent to a specific computer, and track how often an ad has been viewed and by whom. These cookies are linked to a computer and do not gather any personal information about you.

#### Analytics Cookies

Analytics cookies monitor how users reached the Website, and how they interact with and move around once on the Website. These cookies let us know what features on the Website are working the best and what features on the Website can be improved.

### **Our Cookies**

Our cookies are “first-party cookies” and can be either permanent or temporary. These are necessary cookies, without which the Website won't work properly or be able to provide certain features and functionalities. Some of these may be manually disabled in your browser but may affect the functionality of the Website.

### **Personalization Cookies**

Personalization cookies are used to recognize repeat visitors to the Website. We use these cookies to record your browsing history, the pages you have visited, and your settings and preferences each time you visit the Website.
